ASK YOUR DRUGGIST ABOUT IT.

There is a New Remedy that Takes the Place of Calomel, Recommended and Guaranteed by the Druggists.

Justus Pharmacy never sold a remedy that gave more complete satisfaction than Dodson's Liver Tone—a mild vegetable remedy for constipation, sour stomach and lazy liver.

Folks who have suffered for years rather than resort to dangerous calomel have found after one trial that this pleasant-tasting vegetable liquid gives them a long sought relief without bad after-effects.

Dodson's Liver Tone is guaranteed by Justus Pharmacy to be a safe liver stimulant and to be absolutely harmless—without bad after-effects. You will find many persons in this locality who have tried it and every user will speak a good word for Dodson's Liver Tone. It livens up a torpid liver and makes you feel fresh, healthy and clean.

The price of a large bottle is 50 cents—money back if not pleased.

The success of Dodson's Liver Tone has brought many medicines into the field that imitate its claims, and some have name very similar and package same color, but remember Dodson's Liver Tone is guaranteed by Justus Pharmacy who will give you back your money if you want it.—adv. 5-7-2t

RURAL SCHOOLS TO GET COMMISSIONERS' REPORT.

Copies of the 1913 report of Commissioner of Labor and Printing, M. I. Shipman are being sent out to all of the libraries in the rural schools of the State, and to all of the county officials. Recently a large number of inquiries as to information contained in the report have been received by Commissioner Shipman, and the reports are being placed in the libraries for the convenience of the school children. It was the original purpose to do this, but in the rush of the business of the office it had not been done heretofore.

All of the county officers of the State will receive copies of the report. Many of them are going to the county superintendents of public instruction, and will be kept in the offices of these men for the use of those who may have occasion to use them.

NEW TRAIN SCHEDULE.

S. H. Hardwick, passenger traffic manager of the Southern Railway company, has just written John W. Succeeds T. R. Barrows, Resigned—Takes Charge at Once.

At a meeting of the board of governors of the Greater Hendersonville club last week John W. Grimes of this city was duly elected secretary of the club to succeed T. R. Barrows, who resigned last month.

Mr. Grimes takes up his duties at once and will devote his time to the interests of the Club.

Mr. Grimes is well known throughout the county. For five years he was assistant cashier of the Wanteska Trust and Banking company of this city. In 1913 when the two banks consolidated, Mr. Grimes became identified with the First Bank and Trust company which position he has held until the first of May. BAT CAVE RUMBLINGS

We were so glad to have with us last week, an inspection party, composed of Governor Locke Craig, his son George, Dr. J. Hyde Pratt, N. A. Reynolds, chairman of county board of commissioners, Harry W. Plumber and Dr. M. H. Fletcher. They were well pleased with progress that is being made on the last link of the Southern National highway between Asheville and Charlotte. Gov. Craig expects to send enough men to have fifty able bodied men on the grade. Mr. Craig enjoyed the well attended meeting we had and expects to come again before the road is completed.

Mr. H. F. Stanley, is now captain of the prison here, Capt. Hoskins is now at the head of a railroad job in Stateville. Mr. Hoskins became very much attached to our vicinity and wasn't at all anxious to leave.

Mr. A. E. Hudgins has been quite ill for the past week. We are so glad to have a physician in the place; means so much to us. Everybody seems to like Dr. Robards so much.

Mr. C. M. Dalton has been very sick also, for several days, but is better now. We hope he will be able to alter his Inn, as he accommodates so many tourists during the summer.

Mr. Turner has several guests now, had a large party from Asheville last week for a few days; all on horse back.

Esmeralda proprietor is doing lots of road repairing from end of highway to his place.

Mr. Valetine and wife made a short visit to Hendersonville last Saturday.

Miss Amy Bly has been visiting relatives here for a few days after spending several months in school at Fruitland Institute.

Mr. W. A. Cooper went to Raleigh last week on business.

Why these liberal terms at rock bottom cash prices— you say

Our new club plan of selling makes them possible.

By getting several people to combine their purchases we are able to sell several watches at no greater cost than it ordinarily takes to sell one watch.

And so we give you the benefit of this saving.

You can't buy a better watch than the South Bend which we are offering on this club plan.

Come in and let us show you one.

We can make this club offer for a limited time, only so take advantage of it immediately.
